**Questa gamma di morse
permette di intervenire su
5 facce del particolare in
lavorazione con riferimenti
precisi in spazi contenuti**

This series of vises allow
machining operations on
the 5 workpieces sides with
perfect alignment in a
space saving design

STD / Standard FLEX

STANDARD & STANDARD FLEX

Morse modulari e cubi-morsa - Modular vises and vise-towers series
OK Morse ad altissima precisione - Highest precision vise series

1

XL / XL FLEX

XL & XL FLEX

Morse modulari con basi extra lunghe
Modular vises with extra-long bases

2

MODULAR ELEMENTS

ELEMENTI MODULARI - MODULAR ELEMENTS

Elementi Modulari serie Standard & Standardflex per una versatilità estrema!
Standard & StandardFLEX modular elements series for an extreme versatility!

3

ACCESSORIES & SPARE PARTS

RICAMBI e ACCESSORI - SPARE PARTS & ACCESSORIES

Ricambi e accessori per morse Standard, StandardFLEX e XL
Spare parts and accessories for Standard, StandardFLEX and XL

4

FMS

FMS

Un sistema modulare versatile per serraggi singoli, doppi ed autocentranti
A versatile modular system for single, double and self-centering clamping

5

MULTIFLEX

MULTIFLEX

Per serraggi multipli fino a 19 particolari di varie dimensioni
For flexible clamping of multiple workpieces of various sizes

6

MULTITASKING

MULTITASKING / COMPACT GRIP / GRIP MATIC / DOVE TAIL

Morse autocentranti per applicazioni avanzate su centri a 5 assi
Vises for advanced applications on 5 axis machining centres

7

TOMBSTONES

PORTAPEZZI MODULARI - MODULAR TOMBSTONES

Cubi, spalle, squadre, piastre, pallets, per centri di lavoro orizzontali
4 sides and 2 sides cubes, angles, plates, machine pallets, for horizontal machining centres

8

ZERO POINT

ZERO POINT

Il nuovo sistema di posizionamento e ancoraggio istantaneo
The new immediate positioning and clamping system

9

MAGNETIC PLATES

PIANI MAGNETICI - MAGNETIC PLATES

Un sistema elettropermanente ideale per operazioni di fresatura
An electro-permanent system ideal for milling operations

10

MODULAR CLAMPING TOOLS

ELEMENTI MODULARI DI STAFFAGGIO
MODULAR CLAMPING TOOLS

11

Morse ed attrezzature per il serraggio ed il posizionamento di particolari da lavorare

Vises and fixtures for workpieces positioning and clamping

What does workholding mean?

La vasta gamma di morse modulari e portapezzi che consente di rispondere ad ogni esigenza senza ricorrere allo speciale ed il rapporto qualità-prezzo dei prodotti unitamente ai 5 anni di garanzia, sono il vero punto di forza dell'azienda.

Gerardi è uno dei pochissimi costruttori in grado di realizzare qualsiasi tipo di attrezzature per presa pezzo e posizionamento chiavi in mano. I prodotti Gerardi sono sempre realizzati con i materiali più idonei e pregiati, le nostre morse sono in acciaio temprato e rettificato con durezza fino a 60Hrc e tutti i portapezzi per centri di lavoro orizzontali sono sempre in fusione monoblocco di ghisa stabilizzata a garanzia di maggior stabilità in fresatura e durata del prodotto.

Gerardi offers a widest range of precision modular vises, tombstones, zero point and magnetic plates suitable for any metalworking need unbeatable price-quality ratio of our range of products together with a 5-years warranty are our points of strenght.

Gerardi is one of the very few manufacturers able to design and manufacture any equipment for workholding and turnkey positioning and clamping. Gerardi's products are always made of the most suitable and valuable materials. Our vises are made of hardened ground steel with hardness up to 60Hrc and the range of tombstones for horizontal machining centres are always built in a one-solid cast iron block, which is a further guarantee of stability during milling operation and of unlimited lifetime.

**WE DESIGN
MANUFACTURE
& DISTRIBUTE
WORLDWIDE**

DESIGNING

We design and develop innovative solutions for clamping, workholding and machining of workpieces in steel, cast iron and aluminum such as precision vises, angle heads and driven tools.

MANUFACTURING

Machines, tools, CAD/CAM and a great Team contribute to the realization of even very complex components and ensure excellent machining results.

DISTRIBUTION

The distribution of our products are supported by an extensive network of wholesalers and agents that promote and are committed to sell all over the world.

CUSTOMER CARE

An extraordinary point of our strength is our spare parts stock, maintenance and repair service with free phone assistance of our technical Team before & after sales.

ITALIAN DESIGNING

WORLDWIDE DISTRIBUTION

17

1971

Gerardi S.p.A. Co. was established by Ivano Gerardi Sr. in 1971 as grinding subcontractor. The company is located near Milan, Italy. In 1972 due to the oil crises the first precision modular vise has been conceived and designed.

80

1980

In the Eighties the company grew to become the largest Italian vise manufacturer and one of the leaders in the European Common Market and the quality of its products got worldwide renown. Meanwhile the company developed its own Grinding machines technology with a totally new concept at the base of the project. Moreover Gerardi S.p.A. launched a wide range of Angle Heads for traditional machine tools and machining centers and Driven Tools for C.N.C. lathes. With worldwide marketing efforts, the company has brought the production from few pieces to thousands with products and technologies known and sold all over the world.

90

1990

In the same period the company established a joint-venture in China for the manufacturing of parts and types of vises together with the Chinese aerospace industry AVIC. Thanks to major investments the new company is today controlled by Gerardi and is achieving the same excellent leadership results in Asia and North & South America as those accomplished in Europe.

80

2000

After the set up of a US subsidiary Co. near Chicago, a new German branch has been established in Stuttgart / Germany in 2007 in order to better penetrate and service the local markets. Of course this meant a huge financial effort and investments.

12

2012

Gerardi set up a new manufacturing plant to increase the Angle Heads, Driven Tools, tailor made Tombstones and plates production and a new company in INDIA for the manufacturing of fixtures for the Indian market.

20

2020

Set Up of a new logistic plant to improve efficiency in shipments and distribution.

Cubo portapezzi a reticolo

24

2024

The Gerardi S.p.A. Co. staff now numbers over 200 employees with an average age of under 40. In the company all the top roles and manager positions were acquired through internal training and experience. Our total export is today more 70% of our total production in more than 60 countries around the world and we invest about 10% of our total turnover in advanced technological research for designing & manufacturing new products. The overall investments of the company exceed € 20 Million.

WHAT'S NEXT

The market is nowadays highly demanding: competitiveness is played on the continuous ability to offer new products that quickly and constantly require new updated and upgraded versions. Production is forced to follow these continuous developments by supplying high quality products in a short time and with competitive prices.

OUR GOAL

GOAL

Our Goal is to supply solutions able to increase workshops productivity and efficiency with an unbeatable price / quality ratio.

WHERE WE ARE

Designing, manufacturing and worldwide distribution of workholding & tooling equipment fixtures for machine tools.

Support and protection of our agents, reps and distributors are our value & pride! Since the very beginning we've been developing our products distribution by building up a strong partnership with our worldwide distributors network, which is the base for continuous work and a deep market penetration.

CERTIFICATO

DI GARANZIA

CERTIFICATO DI GARANZIA

GERARDI GARANTISCE I MATERIALI

DELLA MIGLIOR QUALITÀ

La **GERARDI SPA** garantisce, per un periodo di **5 ANNI**, la buona qualità dei materiali impiegati e la perfetta costruzione su tutta la gamma di morse modulari e cubi portapezzi ad azionamento manuale. Per quanto riguarda i sistemi pneumatici, idraulici e magnetici e teste angolari la garanzia si estende per **12 MESI** mentre per portautensili motorizzati a rotazione meccanica la garanzia si estende per **24 MESI**. Per effetto di questa garanzia, la **GERARDI SPA** si impegna a provvedere alla riparazione o sostituzione di quelle parti che risultassero difettose per impiego di cattivo materiale o per vizio di costruzione, purché dette parti vengano consegnate in ogni caso in porto franco al suo stabilimento. La garanzia non si estende a guasti o rotture derivati da imperizia, trascuratezza o cattivo uso del prodotto da parte dell'acquirente e cessa qualora i pagamenti non vengano effettuati dal compratore alle scadenze convenute o quando il prodotto venga modificato o riparato dall'utilizzatore. Tutti i prodotti Gerardi sono marchiati e riconoscibili a vista. Su prodotti di dubbia provenienza e non marchiati non sarà riconosciuta nessuna garanzia.

FIRMA

CERTIFICATE

OF GUARANTEE

GERARDI GUARANTEE

CERTIFICATE OF THE BEST QUALITY

OF MATERIAL EMPLOYED

GERARDI SPA guarantees for a period of **5 YEARS** the good quality of materials employed and the perfect construction of the complete range of modular vises and tombstones with manual control. As far as pneumatic, hydraulic and magnetic items and angular heads the warranty extends for **12 MONTHS** while for driven tools with mechanical running the warranty extends for **24 MONTHS**. For this warranty **GERARDI SPA** commits herself to repair or substitute any part which shall result defected by workmanship or for the use of bad quality material only on condition that such parts shall be delivered free port to our factory. This warranty does not extend to breakages arising from unskilfulness or carelessness and negligent use of the items from the buyer side and terminate in case the payments are not made as agreed and when the item shall be modified or repaired by the user. Each Gerardi item has been branded and it is easy recognizable at first sight. On items of uncertain origin and not marked no warranty will be allowed.
